Self motivated tech enthusiast with a pinch of interest in poetry, writing, and photography, currently pursuing B.Tech from SRMIST, Chennai. I work with FrontEnd Web Dev, IoTs, Graphic Designing , Android Development and Java.

## Experience

### The Project Team

August 2019 ~ Present

Creatives Lead  
Web Development  
Graphic Designer

The Project Team aims to extend a platform to expose students to challenges and new technologies in the field of electronics and thus to nurture and develop their skill set in this arena. Consequently, we tend to unite the theoretical and practical aspects of learning. Active participation in various National and International Technical Competitions, involves development of innovative solutions for solving socially relevant issues.

### The Wire Us Challenge

August 2020 ~ Present

Open Source Contributor  
Tech Co-Lead

The WireUs Challenge is a online platform for all those who seek path to get into the world of Eb Development. It comprises of 12 domains each made and looked after by best in field people.

### The Six Pm Show

February 2020 ~ Present

Co-Founder  
Tech Lead

## Creatives Lead

The Six PM Show is a student-centric and student-run firm, working from SRM Institute of Science and Technology. We conduct Podcasts, hold open-mics and live performances, in which talented individuals get to showcase their skills and virtues in various fields of performing arts, namely stand up comedy, literary art, music, etc. Brimming with entertaining expertise, we make sure that each form of art is given a well-deserved pedestal of appreciation, hence standing by our motto: “Where art meets stage”.
